**ROTARY SCHOLAR**—Sarah Sams, 20, a Murray State University senior from Murray, was given a standing ovation Thursday by the Murray Rotary Club after it had been officially announced that she had won a 1976-77 Rotary Foundation Scholarship to study in Lausanne, Switzerland. The daughter of Mr. and Mrs. Williams Sams, 1702 Plainview, Miss Sams is flanked on the left by James R. (Buck) Rash, Jr., Henderson, governor of Rotary District 671, and Wilson Gantt, chairman of the club's scholarship committee.

## Sarah Sams Awarded One-Year Rotary Foundation Scholarship In Switzerland

Next July, Sarah Sams, 20, daughter of Mr. and Mrs. William Sams, 1702 Plainview, will leave for one year of study at the Conservatoire de Musique in Lausanne, Switzerland, on an all-expenses-paid scholarship provided by the Rotary International Foundation through the Murray Rotary Club.

A music education major at Murray State University, Miss Sams Thursday was officially presented with the scholarship notification by James R. (Buck) Rash, Jr., Henderson, governor of District 671 of Rotary and of which the Murray club is a part. Rash was in Murray to meet with and address the Murray Rotarians.

In congratulating Miss Sams on her selection as the district's 1976-77 educational award winner, the governor

told the Murray Rotarians that the selection of the recipient this year "was the most difficult in the history of the district," and that Sarah had been selected from among 14 finalists.

An accomplished flutist, Miss Sams will receive three months of intensive language study before beginning her classes at the Swiss institution in mid-October of 1976. Three languages, French, Italian and German, are spoken in Switzerland.

Miss Sams, who aspires to be a band director or an elementary education teacher, is a member of the Murray State Orchestra, the Wind Sinfonietta and the woodwind quintet. She also directs a primary children's choir at the First Baptist Church, is a member of the church's adult choir and sings with "Sing

and Tell," a youth group which appears regularly in churches throughout the area.

She is a 1973 graduate of Murray High School, where she was a field commander with the award-winning Tiger band for two years, and this past summer she worked with five area high school bands in band camps, teaching flute and field commander techniques. The bands with which she worked were: Heath, Lone Oak, Murray, Briarcrest Baptist Academy of Memphis, and the Bolivar, Tenn., band.

At Murray State, in addition to her music activities, she also is a member of Sigma Alpha Iota, a professional music fraternity, and Alpha Lambda Delta, a freshman woman's society, as well as being on the dean's list for high academic standing each semester she has been on the campus.

In accepting her Rotary Foundation scholarship, Miss Sams said she hopes to go to Switzerland and "to share with the Swiss people through music and love, which I feel are two universal languages."

When asked how she might react to people critical of the United States or of other religious backgrounds, she replied, "I just want to share with them. I don't want to go over there and think that anyone has to turn to the way I think. I want to learn how they live and to share ideas with them. I feel that this is one of my Christian responsibilities as well as those of a citizen of the United States."

Miss Sams has two sisters: Becky, a freshman at Murray State, and Julia, an eighth grade student.

his work at the University of Minnesota and later serving as a teaching assistant at Louisiana State University.

In 1941, he entered military service and served until January, 1946, being discharged as a captain in the Military Intelligence Service. After returning to civilian life, he became field editor of "Breeder's Gazette," managed the Bourbon Beef Show, Louisville, and farmed 1,000 acres in Henderson County.

In the postal service, he received the Superior Achievement Award from the Postmaster General in 1958, and in 1972 was named "Postmaster of the Year" by his fellow Kentucky postmasters.

Guests at the meeting included Miss Sarah Sams, a Murray State University senior from Murray and recently chosen winner of the district's 1976-77 Rotary Foundation Educational Award and a year of study in Switzerland; her roommate, Pam Churchill, Cleveland, Ohio; and her father, Bill Sams of Murray. Also a guest was John Fisher, Chattanooga, Tenn., son of Rev. James A. Fisher.

Wayne Williams, left, past president of Murray Civitan Club is presented a scrapbook of Civitan activities for the 1974-1975 club year by Nick Horton of local Civitan Program Committee. At the September 18th meeting of Murray Civitans several citizens viewed the showing of a film entitled "A Life On The Line" stressing the need for an emergency coronary care system in any community. Don Alley, Murray Civitan president, announced that the Murray Civitans will host a statewide meeting of Kentucky Civitans at Lake Barkley Lodge on November 28 and 29, 1975.

## Room Rate Increase Expected Hospital Board Continues With Plans For Addition

An assurance of mandatory room rate increases accompanied a renewed pledge to continue with proposed additions to the Murray-Calloway County Hospital, at the regular monthly meeting of the hospital board Tuesday.

"When we find ourselves facing that \$3 million debt, we'll have no choice but to raise our room rates," Chairman Jim Garrison remarked at the meeting.

The board will have to pay the next installment on architect's fees of \$62,400 at the October meeting, and, with their commitment made, will continue with plans for massive construction and improvements at the hospital site.

The plans will still not require additional tax levies, however, with the board making plans to finance the construction from hospital revenues.

The board also heard favorable reports on new emergency room coverage at the hospital. The emergency room is now continually staffed from five p. m. to one a. m. each evening, and all day Saturday and Sunday.

Emergency room charges are now a minimum of \$20, with extra supplies and treatment at additional cost. The board emphasized that those who use the emergency room should pay for the expenses; the service should pay its own way

and not be subsidized from room rate revenues.

The board approved a contract with the Morrison Food Service to provide complete food service control at the hospital. The company, which operates public cafeterias as well as institutional services throughout the southern states, will set up new, more economical, and higher quality food for patients at the hospital. The service will cost the local hospital just under \$1,000 per month. Chairman Garrison noted that the service will at least pay for itself, if not save the board money, through economies in the system, and will provide a much higher quality food for patients in the hospital. The only other Morrison hospital facility in Kentucky is in Frankfort.

The board authorized members to enter into an agreement with the Morrison company, but final signing of the contract will be delayed pending a suggested change in one clause of the contract by board member Harold Hurt.

Administrator Stuart Poston told the board of several advantages through the Morrison system. The hospital will be able to purchase goods cheaper through the company's vast purchasing power. Deliveries twice weekly will allow a lower inventory of goods, meaning less hospital capital tied up in stored foods. Standardization and quality control are also features of the system, and with overall supervision by the Morrison company, the hospitals they serve save about 20-25 percent in food costs.

## Council Okays Ordinances On First Reading

Four ordinances, all dealing with restructuring of water and sewer rates and privilege licenses charged mobile home courts, hotels, motels and apartment businesses, were approved on the first reading in an unusually short meeting of the Murray City Council last night.

In other action, the council approved the sale of three sanitation trucks and one

extra body to Manning Equipment Company of Louisville for \$10,000.

The council approved the purchase of a new leaf vacuum at a cost of \$3,634 from James Municipal Equipment Co. of Louisville. Also approved was the purchase of a steel bed and hoist, to be mounted on a city-owned truck, along with leaf vacuum. The cost of the bed and hoist was \$1,598.75.

Councilman Fred Workman announced at the meeting that Water System Superintendent John Trotter had recently received an honor at a meeting of the Kentucky-Tennessee Water Pollution Control Association. Trotter accepted an award on behalf of the city at the meeting which recognized Murray's improvements in water pollution control. Murray was one of only two cities in Kentucky to receive the award.

Also discussed was the responsibility of moving vacant lots and right-of-way areas in the city. Some council members reported that they had received complaints from city residents concerning "overgrown" areas.

The council was informed that a city ordinance stipulates that property owners are responsible for the upkeep of property up to the curb on city streets or ten feet outside the property line on uncurbed streets.

The ordinance gives the street department superintendent authority to enforce the regulations.

A supplemental agreement to the city's municipal aid contract with the state was also approved. The agreement allows the city to use a portion of its share of gasoline tax money to fund a curb and gutter project on Ash Street.

### DAV Forget-Me-Nots To Be Sold Saturday

Saturday, September 20, has been selected as the date for the annual Forget-Me-Not campaign of the Disabled American Veterans in Murray. The Forget-Me-Nots, small blue flowers of remembrance, will be offered by volunteers throughout Murray tomorrow.

A DAV spokesman said all contributions received for the flowers will be used in the chapter's program of assistance for the war handicapped in this community.

"It's easy to show you remember and appreciate the sacrifices of these disabled men and women," he said. "The Forget-Me-Not you wear on Saturday shows that you have not forgotten."

### Chance of Showers

Increasing cloudiness with chance of thundershowers becoming more likely this afternoon and tonight. High today in the low to mid 70s. Low tonight in the upper 50s to low 60s. Cloudy with chance of showers and thundershowers Saturday, high in the low 70s. Sunday mostly cloudy with chance of showers.

## Consumer Prices Mark Smallest Rise In Three Years In August

WASHINGTON (AP) — Consumer prices rose only two-tenths of 1 per cent in August, the smallest monthly rise in inflation in three years, the government reported today.

Projected on a yearly basis, the figure for last month would indicate an annual inflation rate of only 2.4 per cent.

The August price report was welcome news following July's explosive 1.2 per cent jump in retail prices and an eight-tenths of 1 per cent increase in June. But government analysts said it was too soon to determine whether the slowdown was the beginning of a trend.

With the moderation of inflation last month, wage earners also saw their first increase in real spendable earnings in three months. Real earnings over the past year also were up for the first time in any year-to-year period in more than two years.

Food prices, which rose sharply in June and July, showed no increase last month, a factor which held down the over-all rise in

consumer prices, the Labor Department said.

The government said lower prices for beef, fresh vegetables, cereal and bakery products slowed the rise in food prices. The decline in beef prices was the first in five months.

Price increases for commodities other than food, including used cars, gasoline and other energy products, increased five tenths of 1 per cent in August, smaller than the nine tenths of 1 per cent rise in July and within the range of monthly increases during the first half of the year.

The cost of services also rose five tenths

of 1 per cent in August, about the same as the average monthly increase throughout the year.

### Theft Reported At Big K Store Here

Murray City Police are investigating a reported theft at the Big K department store Thursday.

Reports said 251 assorted plants in plastic pots were stolen. The plants have a total value of \$193.27, according to police who said the theft came between eight a. m. and two p. m. Thursday.

## PADD Recommends Construction Of Overpass At MSU Intersection

Calloway County Judge Robert O. Miller, chairman of the Purchase Area Development District (PADD), has announced PADD board approval of construction of a pedestrian overpass at the intersection of 15th and Chestnut Streets in Murray.

The overpass, designed to allow students to cross the busy intersection safely, would connect the main campus at Murray State University with the dormitory complex. The area development district, one of 15 in Kentucky, serves as a local clearinghouse for proposed projects seeking state and federal funds. The board, composed of county judges, mayors and appointed private citizens of the eight

Purchase Area counties, does not have final authority on the funding of the projects but rather submits opinions on each project.

Opinions of the local area development district board then become a part of the project application to be reviewed by the appropriate funding agency.

The Kentucky Department of Transportation is the applicant for the local overpass project. Total cost of the project has been estimated a \$200,000 with \$140,000 being sought from the Federal Highway Administration and the remainder from state funds.

The board also recommended favorably on four other projects, three of them in West Kentucky. The other projects are:

—A \$17,000 project for the city of Wingo to conduct a facilities plan;

—West Kentucky Manor Health Care Facility in Clinton;

—Flood control and renovation of public buildings in Marshall County at a cost of \$250,000 (\$50,000 provided by the county); and an application from the Kentucky Department of Parks for a project that would include the paving of some roads, parking areas and picnic pads at selected state parks across Kentucky.

The board also honored Graves County Judge Dick Castleman for his service as chairman of the PADD board of directors since the regional office was established in 1969. Castleman was succeeded by Miller last month.

## Anita McCallon Attends Seminar For Jackson Purchase PCA State Women

Among more than 100 women attending the Kentucky Production Credit Association (PCA) Seminar September 10-12 at the Galt House, Louisville, were ten women from the Jackson Purchase with central offices in Mayfield.

Attending from Calloway County was Anita McCallon.

The Seminar, geared for all levels of management personnel, had as its theme, "Personality, Charisma, Achievement" and included "Personality in Business", a presentation of the Dartnell Institute of Management, Chicago.

Subjects covered by the Dartnell lecturers, Ethel Burge, E. Lee Goodrich and Elaine

Styles included: "Getting along with men", "Are you Relations Human?" "The Super Supervisor," and "Are you Poised for Progress." There were several Question-Answer periods, and in her closing remarks, Mrs. Goodrich commented, "The emerging role of women in business involves a great deal of challenge and pressure. However, women shouldn't feel that they must pursue higher management positions to be productive or relieve social pressure."

The two-day program included tours of Riverview Square, new home of the Farm Credit Banks of Louisville, and an evening at Louisville Downs for harness racing.

## Faith Doran Circle Meets With Mrs. Fisher; Program Presented

Mrs. Ann Fisher was hostess at the parsonage for the Faith Doran Circle of the First United Methodist Church held on Tuesday, September 9, at two p. m.

The chairman, Mrs. Carl Harrison, presided and led the opening prayer. Announcements were made of the district meeting at Goshen on September 14, the annual conference at Lambuth College, Jackson, Tenn., on October 25, and the general meeting on September 30 at the church.

Mrs. Nell Eaton said anyone wishing to work in the clothing bank may contact her for dates. Mrs. Bun Swann reported on the progress of the committee of the Christmas bazaar.

The devotion was given by Mrs. Vernon Roberts with her topic being "In the Summertime" and scripture from Psalms 74.

Mrs. Ruby Harrell presented

the program from the book, "Smoke On the Mountain" by Joy Davidman, which was an interpretation of the commandments. Her topic was "Idols" with the scripture from Exodus 20:4-6.

The closing prayer was by Mrs. Carl Harrison. Lovely refreshments were served from a lovely appointed tea table by Mrs. Fisher who was assisted by Mrs. Jack Bailey.

Twenty-six members and one guest were present.

### NEEDS PROTECTION

Dry, brittle and discolored hair is a common summer complaint. This condition is due to overexposure to sun, salt water and chlorine, all of which play havoc with tender locks. One preventive is to protect the hair with a scarf or wide-brimmed hat. Some hair sprays contain sunscreens which also may protect hair.

Always shampoo and rinse hair thoroughly after swimming and active participation in sports. Wash hair, too, when it shows signs of oiliness. If the hair is already damaged, a trim might be the best solution. Brushing with a soft natural-bristle brush and using conditioners and rinses also are beneficial.

FOR SATURDAY, SEPTEMBER 20, 1975  
Look in the section in which your birthday comes and find what your outlook is, according to the stars.  
**ARIES** (Mar. 21 to Apr. 20) Give careful thought to financial affairs—not only business-wise but where your personal budget is concerned.  
**TAURUS** (Apr. 21 to May 21) Emotionalism or temperamentality could get you into trouble if not careful. Self-control needed—especially in romantic situations.  
**GEMINI** (May 22 to June 21) Mercury, favorable, stimulates your skills and talents. You should accomplish much.  
**CANCER** (June 22 to July 23) Present conditions may not warrant certain expansion you're in mind. Go slow if conservative opposition arises.  
**LEO** (July 24 to Aug. 23) You can afford to be a bit daring now. Do something—anything—to lessen the depth of any rut in which you may find yourself.  
**VIRGO** (Aug. 24 to Sept. 23) Quite unexpectedly you find the solution to a difficult problem. Another's casual words could put you on the right track.  
**LIBRA** (Sept. 24 to Oct. 23) Aspects fairly bright, but there may be hidden snags, conditions with which to reckon carefully. No jumping to conclusions! Hear others out fully.  
**SCORPIO** (Oct. 24 to Nov. 22) A time for review—to find missing links, details hidden to the casual eye, to change activities that have gone off course.  
**SAGITTARIUS** (Nov. 23 to Dec. 21) Strategy and common sense will be the biggest factors in making a successful day. THINK your way through obstacles.  
**CAPRICORN** (Dec. 22 to Jan. 20) Watch the budget now. Avoid a tendency to overspend on nonessentials. Trying to "keep up with the Joneses" is not only impractical but futile.  
**AQUARIUS** (Jan. 21 to Feb. 19) Try a strategy that worked in the past if a new one is not producing. The right start and "follow-through" will keep you master of all situations.  
**PISCES** (Feb. 20 to Mar. 20) An excellent period for inventions, new ideas, new methods and means of approach, making adjustments and dealing in issues pertaining to the future.

## Second Spouse Says: Step-kids Go or He Will

By Abigail Van Buren

DEAR ABBY: I was a divorcee with six children for nine years. Then I married a man who is 10 years my junior. My two youngest children made their home with us. (All of the others were on their own.)

The last two are now 17 and 18 and neither is sufficiently mature to leave home. Maybe it's my fault for not pushing them hard enough, but the fact remains that they still need me.

My husband has issued an ultimatum: "Either your kids go or I do. I am tired of supporting them!"

Abby, my love for this man is indescribable, but I can't send my children away.

How much do I owe my husband? My children? Myself? TORN APART

DEAR TORN: In my opinion, a man who would give his wife such an ultimatum knows that she will choose her children—which is what I think he really wants!

DEAR ABBY: I am 18 and my boyfriend is 22. We've gone together for a year. He lives 30 miles from my home and drives over to be with me about four times a week.

He says he loves me, but we sure do fight a lot. And every time we have a fight, he asks me to give him all the presents back that he gave me, plus a check to cover the expense of gas for all the trips he made to see me.

Do you think we should take a vacation from each other for a while?

He wants to marry me, but I'm not sure we can get along with each other. If we do break up, should I return his gifts plus the money for his gas? CONFUSED

DEAR CONFUSED: A "vacation" from each other is a splendid idea. Date others and hope that he grows up in the meantime. If you break up, return his gifts and tell him the gas was on him.

DEAR ABBY: This is trivial, I suppose, but I need a "professional" answer and don't know where else to turn. I hope you can help me.

A baby boy was born illegitimately in our family, and he was given up for adoption when he was one-week-old. The natural grandmother insists on counting this child as her "grandchild." She even included him in a family obituary!

I think she is wrong. Your comments, please. Thank you. WONDERING

DEAR WONDERING: A child given up for adoption assumes the name of his adoptive parents and becomes a legal part of THEIR family. Of course the memory of the child may linger on in the mind of the natural grandparent, but he is no longer legally part of that family.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

## Murray Hairdressers Attend Kentucky Meet

Local members of the Murray Affiliate of the National Hairdressers attended the 28th annual Kentucky Educational Convention and Trade Show sponsored by the Kentucky Hairdressers and Cosmetologists Association, Inc., at the Galt House, Louisville, September 12-15.

Judy Curd, president, Kay

Dalton, secretary, and Sylvia Thomas, incoming president, of the Murray Affiliate attend the pre-convention meetings on Friday and Saturday.

At the NBSW Breakfast held Sunday at seven a. m. the Murray Affiliate was presented two awards—second in state for scrapbook and second in the state for publicity during National Hairdresser Week in 1974.

Also attending the other events on Sunday and Monday from Murray were Leta Taylor, Debbie Nance, Wanda Futrell, Tina Olson, Daytha Outland, Wanda Nance, Retha Turner, and Shere Parker.

Events on these two days included National Hair Fashion Show by Lylal McCaig, guest artist, evening fashion show, and salon management class with Joseph Weir.

The Murray Affiliate now has a membership of forty-one persons.

## Golf, Luncheon Planned For Murray Club

Betty Lowry was medalist and Eleanor Diuguid runnerup Wednesday at the regular ladies' day golf at the Murray-Country Club. Frances Miller won the prize for the fewest putts. Cathryn Garrott was golf hostess for the day.

Next Wednesday, September 24, a ladies' day luncheon and bridge is scheduled with Mrs. Wells Purdon and Mrs. George E. Overby, Sr., the bridge chairmen, and Mrs. Wayne Dorah the luncheon hostess.

Serving with Mrs. Doran on the luncheon committee will be Mrs. Bill Hina, Mrs. Bill Holt, Mrs. Charles Homra, Mrs. Jack Persall, Mrs. Mike Holton, Mrs. C. G. Warner, Jr., Mrs. Frances Parker, Mrs. John Parker, Mrs. Bert Coleman, Mrs. Jack White and Mrs. Ralph McCuiston.

## Adult Group Meets Thursday

The Adult Great Books Discussion Group will meet at the Calloway County Public Library Monday, September 29, at seven p. m. instead of the regular date of September 22. "Ethics," part 1, by Spinoza, is the book to be discussed and the leader will be Robert Hart.

October's selection will be Don Quixote, part 1, by Cervantes and that meeting will be at the regularly scheduled time of October 27.

Any one interested in joining in the discussion of "Ethics" is welcome to read the book and attend this meeting.

## Coldwater Homemakers Club Has Meeting With Mrs. Noble Fuqua

Members of the Coldwater Homemakers Club met on Tuesday, September 9, at 12:30 p. m. at the home of Mrs. Noble Fuqua with Mrs. Charles Dan Bazzell, president, presiding.

The devotional reading was from Luke 13:20-21 and the thought for the day was "what Mother Nature does in fall and how beautiful to the eye." Members answered the roll call with something they would like to do to improve the community, club, or nation.

A lesson on "Indoor Landscaping" was given by Mrs. Bazzell. Hangers for plants done in macrame were shown by Mrs. Fuqua who had many on display hanging from tree limbs. Mrs. Newel Doores had also made a

hanging as had Mrs. Bazzell. Mrs. Fuqua demonstrated how to make the half and square knots. She also said for Christmas she had made a hanging in green yarn with red balls, bottles, and ornaments from red straw yarn.

"The Look of Fall 75-76 Fashions" was given by Mrs. Delbert Newsome.

Refreshments were served on the lawn of the Fuqua home. Other members present were Mrs. Hugh Adams and Kelly Adams. Visitors present were Mrs. Richard Tremblay and Mrs. Virginia Smith.

The next meeting will be held Tuesday, October 14, at 12:30 p. m. at the home of Mrs. Delbert Newsome.

## Courage And Common Sense

Frank Steely offered his resignation to the board of regents at Northern Kentucky State College.

Steely's resignation comes in the midst of a swirling controversy over his leadership at the college. As he has pointed out, he

The resignation of President Frank Steely amid controversy takes away little luster from his leadership that saw a cow pasture grow into an academic community with 6000 students and \$37 million campus.

has presided over the growth of a cow pasture into a \$37 million, 6000 student college bidding fair to serve the academic needs of northern Kentucky and the state.

Although we cannot ignore the charges which were brought against him, neither can we eliminate the genuine contribution that Frank Steely made

to NKSC and the community.

It is tragic when the drive of a strong man in the pursuit of noble goals causes that man to lose perspective between ambitions and human values.

It is to the eternal credit of the regents that they have handled events of recent weeks with dignity and dispatch. In the hearings on the dismissal of Professor Leslie Tihany they were fair and long suffering.

They took up the current investigation into Steely's conduct with the greatest reluctance, but with the determination to follow truth where it might lead.

President Steely's decision to resign rather than prolong the unrest at NKSC is a wise one — made in the best interest of the college. In the light of the wisdom of that act, other parties in the controversy ought to take considered action.

Professor Leslie C. Tihany and Alphonz Lengyel — recently dismissed from service at the college ought to consider the school's best interest in deciding whether or not to continue the controversy.

It's time to set recrimination aside and look to the bright future of Northern and its students.

As Frank Steely leaves his post, our entire community wishes him well. We will remember the major contributions he has made to northern Kentucky as he helped bring the new college to life.

### My Brother's Brother By H. C. Chiles Genesis 4:1-15

This chapter takes us into the home of Adam and Eve, after their expulsion from the Garden of Eden because of their disobedience to God, and it introduces us to their first two children.

The Story  
The birth of a child is always an exciting event, and one can easily imagine that it was especially so when the first boy ever to be born made his appearance. To his parents his coming was a greater miracle than that of their own existence. What joy! What concern for his welfare! And what plans for his future!

Eve acknowledged the power of God in the birth of her son in the words, "I have gotten a man with the help of Jehovah." Thus Eve gave the credit for her great joy to the proper Person. Every parent should recognize that each child is a divine gift to be cherished as a sacred and precious trust.

This first boy was named "Cain," signifying an "acquisition" or a "possession" of great value. This baby was indeed a treasure that was potent with possibility. When their second son was born there was not any indication that Eve rejoiced as she did over the birth of Cain. It was quite obvious that she did not expect very much from him. This second son was given the name of "Abel," which signifies "breath," or "vapor," or "not lasting," and which was prophetic of the brevity of his earthly life.

These parents were faithful in their God-given responsibility to the extent that they taught their sons to work. They did not allow their boys to spend their time in idleness, but required them to develop their youthful energies in useful employment, thereby reminding us of the necessity and dignity of work as one of the very essentials of human life and progress.

These brothers were quite different in their personalities, interests, and occupations. Abel chose the gentle and peaceful work of a shepherd, the very honorable vocation engaged in by such famous men as Moses and David. Cain chose a more active occupation and became a tiller of the soil or an agriculturist. Abel's occupation caused him to depend more upon the blessing of God than upon his own skill and efforts. Thinking that he produced the results which he obtained with the labor of his hands, Cain was more inclined to rely upon himself than upon God for help.

These brothers were taught to worship as well as to work. Born of the same parents, reared in the same home, taught the same things, and living in the same environment, these brothers became the worshippers of the same God, in the same place, at the same altar, and in the same way, namely, by the presentation of offerings. They knew what many church members have not learned, namely, that worship is giving rather than getting, or ascribing rather than appropriating.

The Sacrifices  
Let us focus our attention upon the difference between their offerings. Cain brought an offering from "the fruit of the ground," in recognition of the fact that God was his Creator and was therefore

## Spiritual Heritage

By Fred Morton  
United Campus Ministry

The Bicentennial Celebration 1776-1976 prompts us to rediscover our nation's spiritual heritage. Often we may speak of that heritage in the singular as if there were one religious heritage in America, when in fact our nation's religious heritage has been quite diverse. Just as the ethnic ingredients of our national character have been varied, so have our religions.

From nearly the outset there were Roman Catholics, high church Anglicans, Jewish congregations, Puritans and Baptists. Those early and diverse beginnings have given way to a variety of vibrant religious communities and institutions which exert considerable influence worldwide.

The proliferation of religious groups and institutions can in large part be attributed to the Bill of Rights to our Constitution which guarantees freedom of religion through separation of Church and State. In a real sense freedom of religion in America has meant freedom to pursue one's religious convictions as much as it has meant freedom from religious coercion.

As members of religious communities it is my hope that we can affirm freedom of religion not only as a safeguard to individual liberty, but as well a principle precious to the practice of religion. For in America religious associations have flourished or flourished on the basis of their intrinsic appeal or meaningfulness to their constituents.

Another chord I would like to sound in this Bicentennial Celebration is the value of each religious community reassessing its own contribution to this rich and variegated symphony. Each religious group would do well to look at its own history, its uniqueness, strengths as well as shortcomings.

It is not with the view to defend one's own or to put down others - but with the

view to appreciate how that other religious expressions in our commonwealth have complemented our own and overall have contributed to the spiritual vitality of our national life.

Next week this column in the Bicentennial Series on Religion in America will be submitted by the Rev. Mr. Bill Hart.

## Today In History

By The Associated Press

Today is Friday, Sept. 19, the 262nd day of 1975. There are 103 days left in the year. Today's highlight in history:

On this date in 1881, President James Garfield died of wounds inflicted by an assassin.

Ten years ago, West Germans went to the polls and gave Chancellor Ludwig Erhard's coalition government a majority of seats in the lower house of Parliament.

Five years ago, Jordan's military governor ordered a ceasefire in his army's war on guerrillas, but the Palestinians said they would not stop fighting.

One year ago: Former President Richard Nixon was subpoenaed by the special Watergate prosecutor, Leon Jaworski, to appear at the Watergate cover-up trial.

Today's birthdays: Movie producer Joe Pasternak is 74 years old. Actress Rosemary Harris is 45.

Thought for today: There are two insults no human being will endure: that he has no sense of humor and that he has never known trouble. — novelist Sinclair Lewis, 1885-1951.

Bicentennial footnote: Two hundred years ago today, the Continental Congress selected nine men to comprise a secret committee for importing military supplies.

## Establishing Credit

By Ed W. Hancock  
Attorney General

Are you a new graduate working at your first job? Have you lately moved to a new town? Or are you recently divorced or widowed? If the answer is yes to any of these questions, you may need to know how to establish credit. Where does one start?

The first step is opening a checking and savings account in your name. This allows you to develop wise saving and spending habits. Also, maintenance of these accounts may be considered when credit is granted in the future.

With over 300 million credit cards in circulation, chances are that you will want to have some charge cards. Start with a local department or specialty store. They may be willing to extend a limited amount of credit. When you have shown your reliability, this limit can be increased to cover larger purchases.

At your local bank or through your credit union at work, you may want to borrow a

small amount of money. Through prompt, regular payments on the loan, you are exhibiting your ability and willingness to pay.

As you build a credit reputation, you are establishing your "line of credit" at the bank. A "line of credit" is the maximum amount the bank will permit you to borrow against your account. As your credit history lengthens, this should increase. Check with your banker. This may be important later, if you apply for a loan or mortgage on larger purchases.

Don't forget that if you want a good credit rating—it must be in your name. Transactions under parents' or spouse's names do not record your ability and willingness to pay.

If you have a question regarding credit or a consumer complaint, write to the Attorney General, Division of Consumer Protection, The Capitol—Room 34, Frankfort, Ky. 40601. Kentucky consumers may call toll free on the consumer hotline by dialing 1-800-2960.

## HEARTLINE

HEARTLINE is a service for senior citizens of all ages. Its purpose is to answer questions and solve problems — fast. If you have a question or a problem not answered in these columns, write HEARTLINE, 8514 N. Main St., Dayton, Ohio 45415. Senior citizens will receive prompt replies. The most useful replies will be printed in this column.

Heartline: My father had a slight heart attack and had to be taken to the hospital by an ambulance. He was not taken to the hospital closest to where he lives. Will this be covered under Medicare? — C. J.

Answer: Medicare does cover ambulance services to a hospital if (1) the ambulance, its equipment and personnel meet Medicare requirements, and (2) transportation by any other means could endanger the patient's health. When the patient is taken to a facility other than the nearest one that can provide appropriate care, then only 80 per cent of the reasonable charges for ambulance transportation to the nearest facility can be allowed.

Heartline: I will be retiring soon and I have doubts that I will be happy just

reading, gardening and tinkering around the house. I want to get involved with something, but my children keep insisting that I have put my 50 years in. Now I should lie in the shade and watch the world pass by in peace. I can't seem to make them understand that I could not do that. What do you say to this? — Mr. J.L.K.

Answer: We think there will be time to catch up on reading, more time for the garden, for travel, for your personal hobbies, and a little later breakfast.

But this may not be enough to occupy a person who has been active for 50 years or more and has a lifetime of experience and knowledge suddenly lying inactive. It is not all that easy to retire your mind.

There are community organizations which would like to borrow some of that experience and knowledge, and at the same time keep the retiree from getting those "rocking chair blues." A retiree can be a valuable person.

You should be aware that your help is needed by local churches, by hospitals, by centers for the retarded, and by homes for elderly people who can no longer completely look after themselves.

## 10 Years Ago

Hayden Timmons, Executive Assistant to Gov. Edward Breathitt, will be the featured speaker at the season's first meeting of the Calloway County Agricultural Council on September 21.

Deaths reported include Stanley Roberts, John Sims Tarver, Mrs. Maggie Phillips, and R. F. (Fent) Mohundro.

The Murray State College Racers lost their first football game of the season to East Tennessee State by the score of 27 to 24.

Cynthia Cooper, Karen Paschall, Wanda Garrett, Sharon Underwood, and Ruth Ann Barrow are the officers of the Hazel Junior Beta Club.

Mrs. Martha Bowen has returned from a trip to Panama City, Fla., which she was awarded as a result of sales in a contest by the Stanley Home Products.

## 20 Years Ago

Three cases of polio in Calloway County have been reported to the Calloway County Health Department.

Bert T. Williams, age 58, died yesterday at the Murray Hospital from injuries sustained in an automobile accident on September 14.

A. F. Doran has purchased a three year old Black Angus cow for the purchase price of \$7,500 from the production sale of Senator Albert Gore of Carthage, Tenn.

Rev. Howard Nichols, pastor of the First Christian Church, spoke on "Religion In The Home" at the meeting of the Home Department of the Murray Woman's Club. Mr. and Mrs. Albert Paschall celebrated their golden wedding anniversary which was on September 3 with a special dinner at the Murray City Park.

## Let's Stay Well

## New Type Of Midwife

By F.J.L. Blassingame, M.D.

BLASSINGAME

Midwifery, the practice of assisting women in childbirth, is on the increase in the United States.

According to a recent article in U.S. News and World Report, primitive "granny midwife" still found in parts of rural and urban America.

Instead, an increasing number of registered nurses who have had training in almost every aspect of obstetrics are providing the prenatal and postnatal care that was not previously available services have been widely used in other nations by nurse-midwives, especially in Europe.

These nurse-midwives hope to provide quality service not only to the indigent but also to any and all women who need maternity care.

Approximately 1,500 nurses have qualified for certification from the American College of

Nurse-Midwives (ACNM) and are rendering obstetrical care in 28 states, Puerto Rico, the Virgin Islands and Guam. In the continental United States, midwifery is being more readily accepted in the so-called Deep South.

The article quotes Edward Hill, M.D., a family physician in Hollendale, Miss., who heads a task force in his state to promote nurse-midwives, as follows: "Mississippi has the highest infant-mortality rate in the nation. In addition to that, per capita we have the fewest physicians. We have to have certified nurse-midwives if we are ever going to rise above this."

Some physicians object, stating that quality care not be rendered by letting "someone else do the work."

Applications to study nurse-midwifery have increased in the 49 teaching institutions offering

courses, according to Mrs. Dorothea Russell, executive secretary of ACNM.

Dr. Hill envisions the time when nurse-midwifery will improve care in many areas and also assist the physician in the care he offers his patients.

Q. Mrs. G. B. writes that she is about 70 years old, has hypertension that is controlled by medication, and that she is troubled by occasional brief spells of dizziness. She wishes comment.

A. While hypertension (high blood pressure) is often accompanied by dizziness, it may be brought on by other causes. Even a mild infection may result in an unsteadiness. Occasionally, medication (such as phenobarbital) may bring on dizziness. An irritation of your inner ear can

cause vertigo. Since you are taking medicine for your elevated blood pressure, you are probably under the care of a physician. I suggest that cause.

Q. Mr. S. S. inquires whether cancers of the stomach are less frequent now than in former years in the United States.

A. Cancer of the stomach has fortunately been generally decreasing throughout the nation. This disease continues to be most common in the Dakotas, Minnesota, Wisconsin and upper Michigan, in both sexes, probably because of ethnic background of the populations from Scandinavia, Russia and Austria. Stomach cancer continues to be higher in these countries than in America. Some authorities attribute the drop in stomach cancer to improved, regular refrigeration of foods.

# AN INVESTMENT IN YOUR FUTURE ...ATTEND CHURCH

## MAKE A

*Joyful*  
NOISE

Is worship service a time of joy for you? Do you praise God with singing? Do you "enter into his gates with Thanksgiving"? (Psalm 100)

Church attendance should be a happy time—a time when the family is united in Love of God.

Go to church this week. Join in the worship, and praise God with gladness.

# One Day And Counting For Racers

**BIG YEAR EXPECTED**—With Don Clayton gone, it's up to Art Kennedy (20) to assume the role of the next 1,000-yard club member. Kennedy played in several games last year and showed great promise and he'll be starting at tailback for the Racers Saturday in the season opener against Western Carolina.

(Staff Photo by Dave Calaya)

## Hobbie And Kennedy Spearhead Offense, Filling Clayton's Shoes To Be Tough Task

**EDITOR'S NOTE**—This is the second of a two-part feature on the 1975 Murray State Racers. In Thursday's Ledger & Times, the defense was featured.

By **MIKE BRANDON**  
Ledger & Times Sports Editor  
Bill Furgerson should be upset and walking the floor, that is, if statistics mean anything. About 90 per cent of the total offense off last year's 9-2 Murray State football team is gone, including the 1-2 punch of tailback Don Clayton and quarterback Tom Pandolfi, both All-Conference selections. Also gone, and All-Conference picks, are offensive linemen Charlie Carpenter, Russ Carlisle and of course, kicking specialist Flip Martin.

Furgerson is sort of like the Mad Magazine's fair-skinned, red-headed cover boy, Alfred E. Neuman: "What, me worry?" "You see, it's not all that bad. Even with the heavy losses, the Racers will be one of the most feared offensive teams in the league.

One of the major reasons is a veteran fellow named Mike Hobbie. Last year, the only time Hobbie ever got in a game was to hold the ball for extra points. Oh, he did complete three of

four passes.

But three years ago, back in the days of the old Cutchin Stadium, Mike Hobbie was playing a lot of ball. What happened to him was simply that Tom Pandolfi suddenly developed into one of the school's finest passers and that left Hobbie sitting out in the cold.

"He's capable, a veteran and we have all the faith in the world, in Mike Hobbie," Furgerson said.

"But if he doesn't do the job (but we sure expect him to), Mike Dickens is breathing right down his head."

So goes the position of quarterback. And now, how do you replace a fellow like Don Clayton?

You don't. But it's been a tradition now for four years that Murray will have a strong tailback pop up from somewhere and the man about to pop is Art Kennedy, who played in several games last year and showed great promise.

Kennedy's a scrapper, in a football game, he's the kind that's comparable to the fellows who help little old ladies across the street and then trip them. He's tough on the field, off the

field he's one of the nicest gentlemen you'd ever want to meet.

And there certainly isn't any doubt that he will pick up where Don Clayton left off.

That's an interesting position. There's this little fellow named Bernie Behrendt whose occupation, if you went by looks, would be a rock guitarist. But all 5-8 and 172 pounds of Behrendt are locked up in one little package of great big courage.

He's not the runner who will get you 200 yards a game. But he can help someone else get it, because of his blocking ability. Plus he's good for 75 yards or so and when you need the yardage in those fourth and two situations, he's the man to call on.

Then there's Randy Jones of Mayfield. A year ago, he was preparing for the Murray High and Mayfield contest. Today, he's a Racer and can't wait to get on the field Saturday against Western Carolina.

Jones is tough. Tough enough that he's well capable of starting at many of the schools in the league. And running third-string fullback is a surprise,

Roger Rushing of Union County, just two weeks ago the third-string quarterback.

There's also a surprise with the fourth string fullback. That's Larry Jones of Madisonville, the once-upon-a-time highly-regarded transfer from Kentucky and a high school runningmate of UK star Sonny Collins.

Jones has been hurt. He's also had other problems. And he's running fourth string, something nobody would have ever predicted.

There are plenty more folks around the backfield, like Rob Stanta, Jo Jo Riley and Mike McConnell to name a few. Plus there's the old man of the team, Willie DeLoach who will double as a receiver and a tailback.

Veteran Tony Menendez will anchor the offensive line at center. To his right will be Bill "Pope" Lee, a walk-on from Fulton City who made it big last year and earned a full-ride scholarship.

Lee lost his starting post earlier in the fall but has regained it from Doug Willis. At left guard will be a promising young player, Dan Hutchison. Big Dan Helfrich will start at

right tackle with Mark Lacy getting the nod on the left side. Buff Fritz, who played quite a bit last year, will be backing up. And on to the receivers where the Racers are neck-deep in talent.

Veterans Doug Sanders and Marty Strouse at tight end, Larry Foxwell, DeLoach and Jeff Braaten split and Gary Brumm and Bradley Hemann out wide.

"The only thing we're afraid of right now is the fear of the unknown. We're just wanting to get in a game and take it from there. We've been practicing long enough and we're ready to see what kind of shape we're in," Furgerson said.

The Racers have added a little color to the game with kicking specialist Sylvester Amagula, a soccer style field goal kicker from Nigeria. Also helping with placements will be freshman Scott Curtis of Fulton. Doing the punting will be Jim O'Conner and Murray High's former standout quarterback, Wes Furgerson.

Two more sundowns, one more sunup and one more football season begins.

## Furgerson Afraid 'Cats Might Put It Together

By **MIKE BRANDON**  
Ledger & Times Sports Editor

There's something about Western Carolina that's bothering Murray State Coach Bill Furgerson.

Western Carolina comes into the 7:30 p. m. game in Stewart Stadium Saturday against the Racers with an 0-2 record. Now what's so bad about that?

For one thing, Western Carolina isn't that bad of a football team. According to Furgerson, who has scouted both Catamount games, they are having "hard luck." And Furgerson just hopes that luck will continue for one more week and from that point on it's best wishes to the 'Cats.

In their first game, the Catamounts fell 32-31 to Toledo. And Holy Toledo, Western Carolina found itself getting stuck four times on two-point conversions.

"How many times do you ever see four, two-point conversions in one game?" Furgerson asked.

### Complacency Could Be Problem In Ryder Cup

By **BOB GREEN**  
AP Golf Writer  
LIGONIER, Pa. (AP) — Complacency and over-confidence were the heavily-favored Americans' greatest foes today in the opening round of the biennial Ryder Cup golf matches against the best from Great Britain and Ireland.

"That's my greatest concern," said American non-playing captain Arnold Palmer. "I know how good they are. You know how good they are. But if they get to thinking about how good they are, it could make it a whole different ball game," he said.

And Palmer minced no words in a team meeting before today's first matches.

"You'll all get a chance to play," he told the 12-man squad that has combined to win 23 of the 35 tournaments played on the American tour this year, "but the first time you make a mistake I'll have you back on the bench."

The American team probably is the strongest ever assembled. "For over-all strength, for the depth of talent, it's the best I've seen," said Palmer, whose Ryder Cup associations date back to 1951.

In naming his pairings for the first four Scotch foursomes matches — each two-man team plays alternate shots on the same ball — Palmer said he attempted to put players together whose "temperaments match, players whose games are compatible."

He came up with these pairings:

—Jack Nicklaus and Tom Weiskopf vs. Brian Barnes and Bernard Gallacher.

—Gene Littler and Hale Irwin vs. Norman Wood and Maurice Bembridge.

Not many.

The 'Cats will have plenty of desire to whip the Racers. For one thing, Murray handed the Catamounts a 10-3 loss last year at Cullowhee. That was the only Catamount loss in route to a 9-1 record.

For another, Murray State has never been defeated in Stewart Stadium. In two years, the Racers have rolled up an 11-0 home mark and Furgerson says his team is convinced they aren't going to lose any in their new home.

Last week, Western Carolina ran into East Tennessee. Better yet, they got run over by the Bucs. East Tennessee, which according to Furgerson, has been doing "a lot of loud crowing about their prospects in

the league," mopped Western 29-8.

Western turned the ball over eight times in that contest against the Bucs. Plus the Catamounts never had decent field position all night.

"I'm scared to death that after those two losses, they'll get everything put together against us," Furgerson said.

Western Carolina has lost two old enemies to Murray, receivers Eagle Moss and Jerry Gaines. However, they still have plenty of speed along with good hands.

Western uses two quarterbacks, Jim Walker who is 13 of 29 for 174 yards and three scores along with Danny Dalton who is nine of 27 for 119 yards and one TD pass.

Tailback Darrell Lifford has rushed for 215 yards in two games and full back Herb Cole has rushed for 100 in the two losses. Chuck Milner, the Catamount punter, has averaged 41 yards per boot thus far.

A crowd of around 15,000 is expected for what will be the fourth clash between the two schools. Murray leads the series three games to one.

—Al Geilberger and Johnny Miller vs. Tony Jacklin and Peter Oosterhuis, and,  
—Lee Trevino and J.C. Snead vs. Tommy Horton and John O'Leary.

## Bowling Green Coach Says His Team's Going For Number One

By MIKE CLARK  
AP Sports Writer  
LOUISVILLE, Ky. (AP) — Attention Owensboro Apollo: "We're going for Number One," says Bowling Green Coach Wilson Sears.

If Sears and his Purples are to grab the top spot in the Associated Press poll, Bowling Green must make Apollo its fourth consecutive victim of the young season. And some team must add a helping hand by downing top-rated Ashland. No one has come close so far.

"We've tried to make our kids aware of what it takes to make a good football program," said Sears. Such education was necessary when Sears took over in 1973: The Purples had enjoyed only four winning seasons in the last 20.

"We've worked to eliminate mistakes," said Sears of his three-year rebuilding program. "We're now playing with the confidence needed to play on the championship level."

In addition to the Bowling Green-Apollo match, several other games tonight offer interesting confrontations:

—Top-ranked Ashland takes a week off from state competition to tangle with blood rival Ironton, Ohio.

—Ft. Thomas Highlands, unanimous No. 1 in the AAA ranks, gets its toughest test

the year when the Bluebirds meet fourth-ranked Newport Catholic.

—Class AA leader Middletown tackles a tough Corbin team that has previously been included in the AP's top five while No. 2 Somerset meets Class AAAA Louisville Manual.

—Class A headliner Frankfort faces a challenge from a small but scrappy Eminence team and No. 3 Richmond Madison opposes Lexington Henry Clay, a Class AAAA opponent.

—In the Jefferson County AAAA ranks, No. 1 Bishop David meets Iroquois Tonight while No. 3 Trinity tackles fifth-ranked DeSales on Saturday.

In other games involving ranked teams:

—No. 3 Owensboro is at Madisonville; No. 4 Lexington Bryan Station is at Covington Catholic; and No. 5 Lexington Tates Creek travels to Boone County in Class AAAA games.

—In Class AAA, No. 2 Franklin-Simpson entertains Warren East; No. 3 Shelby County hosts Fort Knox; and Newport visits No. 5 Erlanger Lloyd.

—Scott County, ranked third in the AA poll, entertains Lewis County; No. 4 Mayfield hosts Murray; and No. 5 Caldwell County is at home to Trigg County.

—Class A's No. 2 team,

Heath, pays a call on tough Reidland; No. 5 Harrodsburg hosts Bardstown; and No. 3 Raceland is idle.

—In Jefferson County AAAA action Saturday, No. 2 St. Xavier takes on Louisville Central at Manual Stadium; and No. 4

### On Team

LOUISVILLE, Ky. (AP) — The University of Louisville's play-making 6-foot-2 guard Phillip Bond and Kentucky's 6-11 center Riek Robey have been named to the 12-man basketball team to represent the United States in the Pan American Games next month in Mexico City.

Also on the squad is 6-2 guard Bruce Parkinson of Purdue, son of Jack Parkinson, who played college basketball at Kentucky.

NORTH MYRTLE BEACH, S.C. (AP) — Leonard Thompson played his home Bay Tree plantation course Thursday in par 72 and walked away with an eight-stroke victory in the Carolinas Open.

Thompson finished with a 54-hole total of 208, eight under par. He led the \$28,000 event all the way.

Bob Spence of Taylors, S.C., finished second, one stroke in front of amateurs Bill Harvey and Bill Smunk and pro Terry Wilcox.

### A's Within Three Of Wrapping Up West Title

By BOB GREENE  
AP Sports Writer  
Life is much easier in Oakland than it is in Chicago. Just ask Jim Todd.

"I was really dragging after the eighth inning," said the Oakland A's pitcher. "I needed help."

Todd got the help and the A's picked up another victory, clipping the Chicago White Sox 7-6. The victory reduced the A's magic number to three with any combination of three victories or three Kansas City losses giving the three-time World Champions the American League's Western Division title.

With Chicago leading 4-2, the A's tied it with two runs in the fourth, then scored twice more in the fifth as Phil Garner led the hitting attack with a triple and a single, driving home two runs. Ray Fosse added a triple for Oakland.

Todd was the fourth of five A's pitchers and ran his record to 8-3.

Royals 4, Twins 3  
Amos Otis' tie-breaking single in a two-run seventh in-

ning lifted Kansas City past Minnesota and helped the Royals keep pace with Oakland. The KC seventh was also aided by a walk and two errors as Twins pitcher Eddie Bane threw away sacrifice bunts by Fred Patek and Jim Wohlford.

Indians 2, Tigers 1  
Boog Powell slammed a solo home run in the fourth and singled home Duane Kuiper, who had walked, in the first as Cleveland continued its late-season winning ways. Detroit's lone run came in the seventh on Danny Meyer's homer, his eighth of the season; as winner Jim Bibby went the distance to post his seventh victory against 15 defeats.

Angels 5, Rangers 3  
Andy Etchebarren's three-run homer in the sixth and Frank Tanana's route-going seven-hitter gave the California Angels a come-from-behind victory over Texas. Etchebarren's four-bagger followed singles by Bruce Bochte and John Galaz. Tanana, 16-8, gave up seven hits, including Jim Fregosi's two-run home run in the ninth.

# Carlton Handcuffs Pirates And Cardinals Keep On Stumbling

By KEN RAPPOPORT  
AP Sports Writer

The Pittsburgh Pirates were only the Pittsburgh Pussycats to Steve Carlton.

"I wish he had hung a few curve balls instead of those snap dragons he was throwing," said Willie Stargell after the Philadelphia left-hander tamed his hot-hitting Pirates 4-1 with a four-hitter Thursday night.

The Pirates, who have been hitting like there's no tomorrow, were just putty in the hands of Carlton at Veterans Stadium.

"He got us out in key situations," said Stargell. "He had a good breaking ball and a slider on occasion. He threw the heat (fastball) to spots. He was real sharp tonight."

Carlton won the game under

pressure conditions, for a loss would have killed any flickering hopes the Phillies might have had to catch the Pirates in the National League East.

As it is, it still may take a miracle. The Phillies pulled within six games of the Pirates, whose magic number for clinching the division remained at five.

Home runs by Mike Schmidt and Greg Luzinski backed Carlton's superb pitching. Carlton raised his record to 14-13 by taming the Pirates, striking out 11 and walking five.

The Pirates' Rennie Stennett, incidentally, continued to break records with his bat. He collected two hits Thursday night to tie the National League mark of 12 hits in three games, held by three other players. Previously, he belted seven hits in one game for a record and three more in another for a two-game mark of 10.

**Expos 5, Cardinals 0**  
Jim Dwyer singled, doubled and tripled while Gary Carter and Pete Mackanin pounded home runs to lead Montreal over St. Louis. The Expos, completing a two-game sweep, made the most of seven hits off

Cardinal right-hander Ron Reed, 12-12, who departed after six innings, and Harry Parker, who was greeted by Mackanin's solo homer in the seventh.

**Mets 7, Cubs 5**

Dave Kingman's club-record 35th home run of the season, a two-run shot in the bottom of the ninth inning, lifted New York past Chicago. The Mets, who spotted the Cubs a four-run lead in the first, tied up the game in the eighth when Kingman doubled and came home on Jesus Alou's pinch-hit single, and Joe Torre tripled home pinch-runner Bud Harrelson.

Rusty Staub hit his 18th homer of the season, a two-run shot in the fifth, for the first two Mets runs. Staub singled in the ninth before Kingman launched his game-winning blast and topped the team record of 34 homers set by Frank Thomas in 1962.

**Reds 4, Braves 3**

Bill Plummer's run-scoring single in the 10th inning carried Cincinnati over Atlanta. Pete Rose walked and eventually scored the winning run on base hits by Tony Perez and Plummer.

## Tiger Freshmen Drop Opener To Heath 8-0

The Murray High freshmen Tigers opened their season by dropping an 8-0 contest Thursday night at Heath.

There was no scoring in the first half and the Tigers opened the second half by receiving the kickoff. Murray was forced to punt the ball away and the boot was short.

Heath got the ball in good field position and late in the quarter, scored on a 10-yard run and added the two-point conversion for the win.

Murray had several good offensive drives going in the first period as tailback Thomas Kendall had some fine runs and quarterback Mike Pitman, playing his first football game ever, directed the offense with authority.

Coach Mark Brady said he was particularly pleased with the defensive play of linebacker Mike Hibbard and end Eric Pratt.

"We did not block well on the line and didn't go after people on defense like we should have," Brady said. "We're going to have to get a little more aggressive on defense."

Brady said the Tigers had one very bright point: Murray had just two penalties in the game.

The frosh Tigers, now 0-1 for the young season, will open at home next Thursday night in Holland Stadium when they host Benton to a 6:30 p.m. game. This coming Monday night, the Tiger "B" team will be in Holland Stadium to face Mayfield.

## Curci Expects Kansas To Do More Throwing

By BOB COOPER

AP Sports Writer

LEXINGTON, Ky. (AP) — Kentucky Coach Fran Curci isn't letting himself be lulled into thinking Kansas will shun a passing attack when the two schools meet for the first time in a football game here Saturday.

Although the Jayhawks threw only 10 passes, completing three, in their 18-14 loss to Washington State last weekend, Curci notes that their aerial potential is there if they need it.

"They didn't throw much because they had that team beat until the last quarter and they didn't have to throw," Curci said. "But you just look at last year's statistics."

Junior Scott McMichael threw 156 times last season, completing 74 for 1,044 yards and five touchdowns. In addition, soph Bill Campfield heaved the second longest scoring pass in Kansas history, an 82-yarder to Bruce Adams.

"People don't seem to understand that this team is better than good," Curci said. "They've got both speed and size and they've got a football tradition that gives them enthusiasm."

The speed of which Curci speaks primarily involves junior Laverne Smith, who set a season record last year with 1-181 yards on 178 tries. He can run 100 yards in 9.6 seconds.

Such defensive linemen as 255-pound junior Mike Butler and 260-pound sophomore James Emerson lend credence to Curci's comments about the size of the Kansas team.

Because he was shaken up several times, Smith carried only 10 times against Washington State, gaining 60 yards, but he is reported ready to go at full speed this week.

Kentucky's answer to Smith, Sonny Collins, gained 126 yards on 17 carries in the Wildcats' 27-8 opening victory over Virginia Tech.

## East Wins Pair Of Softball Contests

The East Elementary Lakers won a pair of softball games Thursday over visiting Southwest Calloway.

The East girls took a 7-3 win while the East boys edged Southwest 8-5.

In the girl's game, Mary Waggoner scattered nine hits and was credited with the win on the hill for East.

Waggoner, Wilson and McCuiston all had two hits for East while Housden, Tucker, Charleton, Smotherman, Overbey and Cunningham also hit safely. For Southwest, M. Miller, Paschall and Carson all had two hits while S. Miller, Dick and Hutchens added safeties.

In the boy's game, East used home runs by Larry Sanders, James Bynum and Steve Barnett to post the win. Danny Stone was the winning pitcher. Sanders and Childress each had two hits for East while Emerson, Cook, Marton, Bynum and Barnett all had one. For Southwest, Overbey, Pittenger and Cottrill had two hits apiece while Stubblefield, Crittenden, Rogers, Barker, McCuiston and Smotherman hit safely.

East will host North today

## Too Much Wall Street In Thriller?

THE PETRODOLLAR TAKEOVER. By Peter Tanous & Paul Rubinstein. Putnam, 254 Pages, \$7.95.

Back when the Arabs hiked petroleum prices and began piling up petrodollars, their subsequent foreign investment plunges into various business ventures made some governments uneasy.

Immediate public and business concern was heightened as the Arabs' riches were invested in American businesses, generating some fears of takeover possibilities. This novel, the latest of an ever-increasing library of books growing out of the Mideast woes, proposes the possibility of the government of Saudi Arabia gaining a controlling interest of General Motors through stock purchases.

It's an interesting idea, but too quickly and thinly developed at key points of the plot. The Wall Street background of the authors seems to be a hindrance: "too much narrative given the technical side of the world of finance. For example, the same wordage is given to the procedure of selling stock on the floor of the New York Stock Exchange as is given the President deciding to back down on challenging the Arabs. It reminds one of magazine-length stories. It wouldn't have been bad as a made-for-TV movie but, unfortunately, it wound up as a book." The Petrodollar Takeover fits in that vast array of literary efforts these days that can best be described as skillful mediocrity.

# Patty Hearst And Parents Reunite Following End Of 19-Month Search

SAN FRANCISCO (AP) — Her long and violent journey into the underground at an end, Patricia Hearst was reunited today with the parents she had renounced as pigs. Her father said she was ready to come home.

But she remained in jail today, facing charges that could send her to prison for life. With her were her comrades in the underground, William and Emily Harris.

"She was happy ... she really wants to come home," Randolph A. Hearst said after he and his wife visited their daughter at a county jail in nearby Redwood City, where she is being held on bank robbery and other charges.

"We told her we loved her and hugged her and kissed her," Catherine Hearst told reporters at the jail. "We just said we loved each other."

The most intensive fugitive hunt in the nation's history came to a swift conclusion Thursday with the capture of Miss Hearst and three fellow radicals. It had been 19 months since she had seen the parents she reviled for their wealth after apparently joining the militant band that kidnapped her.

Asked if he would put up the bail money to free his 21-year-old daughter, Hearst replied, "I think so."

Terrence Hallinan, attorney for the newspaper heiress who was kidnapped by members of the terrorist Symbionese Liberation Army on Feb. 4, 1974, said he would seek reduction of the \$1,050,000 bail at a hearing today.

An FBI official in California said, meanwhile, that the sudden and dramatic capture of the heiress-turned-terrorist came unexpectedly when police and FBI agents went to a house here seeking someone else in connection with the Hearst investigation. Miss Hearst and her comrades were arrested without resistance, officers said.

However, a spokesman for the FBI in Washington disputed that report. He said agents "had reasonable basis to believe that Patty Hearst was in the Morse Street

house in San Francisco when she was apprehended."

An FBI agent in Sacramento said agents were looking for an unidentified person linked to the SLA and had no idea Miss Hearst or her fugitive companions were there.

Miss Hearst and a radical companion were arrested by two policemen and two FBI agents, one of the arresting officers said.

San Francisco police officer Tim Casey said he and FBI agent Tom Padden went up the back stairs to the third-floor apartment while his partner and another FBI agent went up the front stairs.

Casey said Miss Hearst's companion, radical Wendy Yoshimura, came to the door first "and saw us in the window."

"Padden told her to freeze," Casey said. "Patty came up behind her."

"Then they both bolted back. Padden shouted for them to 'Freeze! Get over here and open the door.'"

Casey said that when Miss Yoshimura opened the door, Miss Hearst turned around, and he said: "Patty! Don't make a move. All right," she said.

He quoted her as saying: "Don't shoot, I'll go with you."

Casey said he asked her if she had a gun. "She said, 'Yes, in the purse in the bedroom.'"

Casey added, "I asked her if she was glad it was over, and she didn't say a word."

When Miss Hearst was booked into jail, she listed her occupation as "urban guerrilla," a sheriff's sergeant said.

At the San Mateo County Jail, 35 miles south of here, where Miss Hearst and William and Emily Harris were taken following arraignment, another inmate said the newspaper heiress answered a question as to how she was caught by saying, "I wish to hell I knew."

"I said, 'It's been a long time since we've seen you,'" Evelyn Broussard said. "And she said, 'I wish it had been longer.'"

"We were just sitting there and two

policemen just came through the door," Mrs. Broussard quoted Miss Hearst as saying. Mrs. Broussard, 23, who was being released on bail on a parole violation charge, said she talked with Miss Hearst while the latter was being booked.

Earlier, Miss Hearst, who faces both state and federal charges, smiled broadly and waved at reporters as she left the San Francisco federal courthouse in a tightly guarded caravan.

Mrs. Harris gave a clenched-fist salute as the car pulled away.

The Harris were arrested about an hour before Miss Hearst and Berkeley artist Wendy Yoshimura, who was turned over to Alameda County, Calif., authorities to face a charge of possession of explosives.

Stephen F. Soliah, a 27-year-old housepainter, also was arrested at the house where Miss Hearst was staying. The FBI said he would be charged with harboring fugitives. U.S. Atty. James L. Browning said more arrests on that charge might follow.

It appeared that the crosscountry search for the only known surviving members of the SLA finally was ended by a combination of diligent police work and luck.

Paul Young, agent-in-charge of the FBI's Sacramento office, said his agents were seeking an unidentified person linked to the SLA and gave the San Francisco FBI addresses of several houses here.

Young said these included both a Bernal Heights house on Precita Street near where the Harris were arrested while jogging down the street and the Upper Mission District house on Morse Street where Miss Hearst was captured.

"But we had no idea the Harris and Miss Hearst were there," Young said. Authorities said Soliah was the brother of Kathy Soliah, a known associate of SLA members.

Charles Bates, special agent-in-charge of the FBI's San Francisco office, could not be reached for comment on Young's statement.

## Snyder Waiting For Response On Suggestions

LOUISVILLE, Ky. (AP) — U.S. Rep. Gene Snyder says he's waiting for a response to a letter in which he urged President Ford to back recent anti-school-busing statements with action.

### Hospital. . .

(Continued from Page 1)  
A motion was approved to reinstate the hospital's application for a certificate of need for 40 acute beds. The application will go to the Need and Licensure Board of Kentucky.

Progress was noted on the proposed Medical Office Building for local doctors. The planners will begin formal interviews with local physicians to determine interest in the building construction.

Administrator Poston noted a decrease in patient days last month, due to some physicians out of practice and ill, but noted that admissions are increasing now, with patients still on waiting lists, and occupancy running about 95 to 98 per cent.

Until he receives an answer, Snyder said, he won't know whether it was worth it to meet Thursday with federal officials at the White House.

Snyder said the meeting, with federal officials representing five executive agencies, produced agreement that school busing for desegregation doesn't work.

The 4th District Congressman was accompanied at the session by Rep. Louis R. Guenther Jr., R-Northeastern Jefferson County and James Millman, a Louisville lawyer involved in antibusing litigation.

"I don't think there is any question that everybody agreed that busing is not working for the purpose it was originally intended," Snyder said.

He said the chief alternative to busing that he supports would be some sort of open-enrollment program with transportation provided for students who wanted to attend a school other than their neighborhood school.

"If he (the President) should decide on some other course

that accomplishes the same thing, I could care less," Snyder said.

In Jefferson County, meanwhile, school officials began examining a list of some 15,000 names to determine how many children are being kept out of

Louisville-Jefferson County schools in violation of state truancy laws.

Under state law, a child between the ages of seven and 16 is ruled truant if absent from school more than three days without an excuse.

## Gable Says He Would Permit His Children To Be Bused

LOUISVILLE, Ky. (AP) — The Republican candidate for governor, Robert Gable, says if his children attended schools where busing was required by court order he'd "very reluctantly permit them to be bused."

"I would go along with it while continuing, as I am, in very active opposition," Gable said Thursday in one of a series of television "coffees" he is sponsoring across the state. The paid political program was broadcast on WHAS-TV.

The GOP candidate, who lives in Frankfort and has three children in private school, has been vocal in his opposition to school busing that started Sept. 4 in Jefferson County by order of U.S. District Judge James F. Gordon.

But he said it distressed him to see that the beginning of the

desegregation program was accompanied by some violent and destructive protests in southern and southwestern Jefferson County.

"I'm very hopeful that people will stop marching in the streets and start marching to the polls," he said. "I think that's where the solution lies."

Gable said voters outside Jefferson County also are upset about school busing, which he said "reminds them of other things they see closing in on their personal freedoms."

He spoke optimistically of his chances of defeating Democratic Gov. Julian Carroll this fall, citing "great progress" in Jefferson County, "tremendous progress" in Fayette County, "and what campaigning we've done in the 5th District (South-eastern Kentucky), we show great strength there."

"On this track, it probably will not be very long before it gathers more strength and becomes a hurricane again," said forecaster Paul Hebert of the National Hurricane Center.

The center warned residents of the Lesser Cayman Islands to take immediate precautions against the storm's winds of 45 miles per hour and heavy rain squalls. Residents of Jamaica and Central and Western Cuba were told to expect heavy rains, and Cuban officials placed the provinces of Camaguey and Las Villas on "a state of alert."

At 12:01 a. m. EDT today, the storm was centered about 150 miles northeast of Grand Cayman Island. It was moving westward at 13 m.p.h.

Hebert said Thursday night that forecasters were still expecting Eloise to turn toward the northwest, putting it on a track toward the Gulf of Mexico.

"We are having trouble understanding why it hasn't turned yet," he said. "But as it moves further west, it moves out of the longitudes of danger to Florida."

Although forecasters minimized the immediate threat to south Florida, some residents were reported stocking up on transistor radios, batteries, canned food and other supplies. Officials in the Dominican

## Bills Pre-Filed To Reduce Prices Of Milk And Liquor

FRANKFORT, Ky. (AP)—Two bills have been pre-filed for the 1976 General Assembly designed to reduce what the consumer pays for milk and liquor.

The Interim Judiciary Committee pre-filed the bills with the recommendation that they pass.

The milk bill prohibits price fixing of milk, and increases the membership of the state Milk Marketing and Anti-monopoly Commission from five to seven.

Sen. Tom Easterly, D-Frankfort, said the markup on milk

has restyled from an "unofficial" policy of that commission which suggests a 15 per cent markup in a memo sent to grocery stores.

The bill drafted by his committee was supported by data from the Legislative Research Commission showing that the price on milk is higher in Kentucky than in other states.

The liquor bill would repeal state laws requiring wholesalers to mark up their prices 15 per cent for liquor and 20 per cent for wine, and retailers to mark up prices by 33 and 1-3 per cent.

The bill also would prohibit national distillers from selling their products to Kentucky dealers at prices higher than they charge dealers in some other states.

Ownership of liquor sales licenses would be limited to two per person in any one county, under the bill's provisions.

Sen. Mike Maloney, D-Lexington, said the bill was "not

warranted" and charged it would benefit "alcoholics and advertising managers of newspapers." He said newspapers would benefit from ads placed by liquor stores competing with each other following a repeal of the price control laws.

Easterly said after the meeting that he was "real pleased with the way things went today...I thought it would be a lot tougher fight."

He also said the committee's approval "augers well for passage in January...the people for this were fairly representative...and the vote crossed over party lines."
